## **Agenda Items**

### **UNFINISHED BUSINESS:**

1. Sign-up Board - The trial period will end in two (2) days. Motion was made by Ron Dobin and seconded by Pam Slagle, to accept the current sign-up board. The motion passed unanimously to keep the current sign-up board system. Between the hours of 7:00 and 8:00 a.m. Courts 1, 2 & 3 can be played for one (1) continuous hour.
2. Shade Cover - Scott announced that the new shade cover is completed with the misters installed and working. A shade cover will be erected over the drinking fountain and a shade cover will be installed over the picnic table.

### **NEW BUSINESS:**

- A. Barry Cunningham reported that he had an appointment to meet with the principal of the Twelve Bridges Elementary School regarding pickleball being played at his school. Barry and Glenise will provide instruction. If any members have extra paddles or temporary nets they could lend or donate contact Barry or Glenise Cunningham.
- B. Sherry Mosby announced club t-shirts are now available in a variety of colors. The cost is \$15.00. Contact Sherry to order.

### **OPEN FORUM:**

1. Jim Pulliam announced that the pickleball task force met with the tennis club task force. They both agreed to move forward in trying to gain a place to put additional courts instead of taking two tennis courts. They also are a part of the Association Properties Committee task force formed to study the facility usage at the sports pavilion.
2. Barry Cunningham reviewed the contract from the company that resurfaced courts 2 and 3. The contract states that with time the court's surface will wear and not be so slick. The contractor will return in September to follow-up with Scott on the surface of the courts.

3. Wayne Schmeck said he believes we will need a sturdy digital clock for the winter. The current clock probably won't last through the winter.
